WARNING: This Garment is not a life jacket or flotation device.

This garment will not protect the wearer from injury or drowning. This garment is not a safety device and is not approved by notified bodies. The user assumes all risks of injury or death while using it.

This garment should not be worn by anyone who cannot swim. The buoyancy factor and its distribution in the garment are not sufficient to float a conscious or unconscious person. Injury or drowning could occur while wearing this garment. It does not turn unconscious user's face up.
